# STRICTLY HIGHWAYS

STRICTLY HIGHWAYS CONFERENCE 06 - 07 OCTOBER  
STRICTLY NETWORKING EVENT 04 - 15 OCTOBER

## HAVE YOUR VOICE HEARD AT THIS YEAR'S STRICTLY HIGHWAYS CONFERENCE

With a number of councils declaring climate emergencies and setting targets to reach net zero, it is important that the personnel working within authorities are armed with the tools and expertise they need to help them reach these goals.

We are looking for short (around 30 seconds) video clips that you can record on your smart phone (or other digital device).

This is an opportunity for you to present your view and opinions and we will share the videos over the course of the virtual conference.

### GUIDELINES FOR RECORDING

- Please hold your device in landscape position
- Leave a couple of seconds before starting/finishing speaking

---

#### Record your answer to one of the questions below

- 1) What is the biggest challenge Local Authorities face in reaching net zero?
- 2) What do you think is the biggest opportunity that will help Local Authorities achieve net zero?

---

You can send a video for each question or incorporate both questions into one video.

Once you have recorded your video, please email a Wetransfer or Dropbox link to [marketing@lcrig.org.uk](mailto:marketing@lcrig.org.uk).

If you have any issues or require assistance, please contact us at [marketing@lcrig.org.uk](mailto:marketing@lcrig.org.uk) or call **07525 157 880**.
